H.Y.F. DONATES \$1,500 TO THE AUSTRALIAN - HELLENIC MEMORIAL

On Saturday 11th July, the Hellenic Youth Federation of Victoria and all its affiliated associations held a fundraising Tavern night at Michael's Tavern in Box Hill. In order to raise a substantial amount of money to be donated to the Australian Hellenic Memorial Foundation.

The night was a complete success, as it was attended by all the Hellenic Youth Federation members and friends, as well as council members from NUGAS. The event was honoured with the presence of the Chairman of the memorial committee Mr. Pantelis Kalimnakis as well as the secretary Mr. John Anagnostou.

It should be noted that the Kastoria Youth "O GRAMMOS" donated \$300 to the Hellenic Youth Federation toward the fundraising activity.

When Mr. Kalimnakis was handed the cheque for \$1,500 by the Memorial Committee representative Mr. Tony Tsourdalakis, Mr. Kalimnakis praised the council of the Hellenic Youth Federation for taking the initiative, its achievements and its support toward the memorial in general. In particular he highlighted the fact that the second generation began the fundraising campaign which will continue until the end of the year.

Without any concrete details there is the possibility the Hellenic Youth Federation will host another fundraising event early next year, where again the proceeds will go to the Memorial.
