AUSTRALIAN - HELLENIC NEWSPAPER

Australian Hellenic War Memorial

General Christos Tsapheros of the Hellenic Armed Forces joined the Federal Minister for Veterans' Affairs, Bruce Scott, in unveiling the new Australian Hellenic War Memorial in Melbourne on Sunday. The new monument is dedicated to the Hellenes, Australians and New Zealanders who fell fighting for Hellenic independence during World War Two and is located in the Domain Gardens, Birdwood Avenue, across the road from the Tomb of the Unknown Soldier, in downtown Melbourne.
